

unit_System_parameterized
Constructor

```
graph LR; A["unit_System_parameterized  
Constructor"] --> B["SystemImpl::getName"]; A --> C["SystemImpl::getValue"]
```

The diagram consists of three rectangular boxes. On the left is a gray box containing the text 'unit_System_parameterized' on the top line and 'Constructor' on the bottom line. To the right of this box are two white boxes, one above the other. Two blue arrows originate from the right side of the gray box. The top arrow points to the top white box, which contains the text 'SystemImpl::getName'. The bottom arrow points to the bottom white box, which contains the text 'SystemImpl::getValue'.

SystemImpl::getName

SystemImpl::getValue
